Due late Second Quarter 2012

American End Platform Suburban Coaches. Price per set.

Each set EP 001 to EP 004 comprises six cars.

Arguably the most versatile coaches on the NSWGR. Hauled behind almost every steam loco and most early diesels. A six car set is approximately 45" long (114 cm). Short enough for even the smallest layout.

Pack EP 001:	Tuscan and Russet with Open Ended HFO.	\$ 595.00	\$.....
