Due March / April 2011

FS BS Steel Mainline Passenger Coaches.

Opening Price per set. $300.00

Each pack comprises three cars:

Built during the 1930's to partly replace the side loading 'Dog Box' cars on Mail and important Mainline passenger trains most of these cars lasted until the end of regular locomotive hauled services during the 1980's. Many are still used on tour trains.

These Austrains models are made with the latest tooling techniques. They have compartment and seat detail, separate roof vents and hand rails and are fully lit with an ON / OFF switch under the floor of the coach.

The price of $300.00 per pack is an **Opening Price**. The price will rise from 30th July for any remaining stock.

Only 720 packs of these coaches are being made in total. No rerun is planned.
